The children and will sing with the choir during the service. They will meet at 12:20pm next Sunday prior to the service to rehearse.

"God & Me" Course – Beginning Monday, January 24th @ 6:30pm

This class explores the basic truths of the bible as well as briefly explaining some simple differences between religions and various Christian denominations. But most importantly, it answers the deep questions every person needs to know in life...*who am I?... what's my purpose in life?...how can I get to heaven?...how can I be certain I am loved and forgiven?...how does the bible apply to me today?* This study is a good spiritual refresher and stepping stone in a Christian's growth and understanding of God and His Word. It also serves as a membership class for those curious or interested. NOTE: there are no strings attached and there is no cost – all the materials are covered. Let us know if childcare can be provided. You can even "Try it before you buy it!" in the sense of, if after 2-3 weeks you decide to step away, you won't be made to defend your decision to do so.
